Wichita State University
BA, 1985, *summa cum
laude*, Speech and
Theatre, Southwestern
College

ADMITTED

Texas 2000
Kansas 1998
Missouri 1997

Quentin has a wide-ranging business law practice where he essentially functions as outside general counsel to a variety of public and private corporations. On a daily basis he advises clients on general contract matters, intellectual property concerns, corporate law compliance, overall business strategies, merger and acquisition activities, and securities law reporting, as well as private and public financing and capital raising transactions.

He routinely reviews and negotiates intellectual property related agreements, including software vendor contracts, consulting arrangements, license agreements, and Internet and e-commerce related contracts for a variety of clients.
